## LOCAL RULES

### 1. MARKER STAKES

- i) Blue stakes indicate young trees and protected flower beds.
- ii) Red and yellow stakes indicate penalty areas. The ends of a ditch are marked by double stakes. The above stakes are movable obstructions.

### 2. PENALTY AREAS

Only those areas marked with red or yellow stakes and/or lines are penalty areas. In taking relief from a red penalty area, two club-length relief from equidistant points on either margin is available only when the ball is in a ditch. Equidistant point relief is not available from ponds or other penalty areas. On holes where all ground beyond a cart path is defined as a penalty area, the outer edge of the cart path defines the margin of the PA, and red stakes are for indication only.

### 3. OUT OF BOUNDS

On any hole - outside the boundaries of the course and where marked by stakes or posts painted white; and the line of any fences which interconnect such posts.

- i) When playing the 13th hole, the 14th fairway (marked by white stakes) is out of bounds.
- ii) The areas to the left of holes 1 & 14 are NOT out of bounds.
- iii) When playing holes 1 & 14, the white stakes are immovable obstructions.

### 4. INTEGRAL OBJECTS

- i) Flower beds and young trees are integral objects unless marked with blue stakes. Exception: A flower bed that is wholly surrounded by an immovable obstruction (such as a cart path) is treated as part of the obstruction.
- ii) All constructions (other than bridges) lying within the margins of penalty areas are integral objects.
- iii) Sandmesh on the hillsides is an integral object. If loose, it is a movable obstruction.

### 5. IMMOVABLE OBSTRUCTIONS

- i) Greenside fixed sprinkler heads intervening on line of play, within two club-lengths of the green and of the ball: free relief is available. The relief area has a radius of one club-length measured from the nearest point of relief.
- ii) When taking relief from the fence on hole 10, the player must determine the nearest point of relief without crossing over, through or under the obstruction.
- iii) Graves are immovable obstructions.

### 6. GROUND UNDER REPAIR (G.U.R.)

Indicated by a sign or white line.

- i) Seams of newly laid turf are G.U.R. and free relief is available if they interfere with the lie of the ball or the area of intended swing (but not if they only interfere with the stance). The turf itself is not G.U.R. unless so marked with a line and/or sign.

### 7. DROPPING ZONES

Drop zones on holes 4, 5 & 17 are not in play in all club competitions, including qualifying rounds.
